JOB PROFILE

This profile is in three parts. It is designed to give clarity around *what* the job entails (Part 1), the *personal qualities, skills and experience* needed to perform it well (Part 2) and the *key requirements* of the job we will focus on for recruitment and selection purposes (Part 3).

Part 1: Job description

Job title:	Signal & Telecommunications Manager
Reporting to:	Director, Infrastructure (Pro tem) / General Manager
Direct reports:	Two part-time employees plus approximately 25 volunteers
Budget holder:	Yes
Place of work:	Based at Corfe Castle and Herston Works, with flexibility and requirement to travel to all locations on Swanage Railway.
Contract type:	Permanent / Full Time, subject to probationary period

Job purpose

The role contributes to Swanage Railway Company's success by ensuring that the Signal and Telecommunications team are managed positively to ensure all signal and telegraph equipment is in sound working order to facilitate the safe passage of trains.

Key accountabilities

- To manage the signal and telecommunications employees, volunteers and function of SRC
- To ensure that all work is carried out to the appropriate standards by following the Company Health and Safety procedures as laid down in the Safety Management System and support documents.
- To follow the requirements of SRC's financial management.

Additional responsibilities

- To ensure that all staff under their supervision are suitably trained as required by their duties, company policy and standards.
To manage the design, installation, replacement and upgrade of equipment as required
- To undertake inspections and maintain all appropriate servicing and safety records to comply With the requirements of the Company's Safety Management System.
- To react swiftly to any breakdowns of equipment as required.
- To maintain a roster for Signaling and Telecommunications staff to ensure availability on all days when public trains are run.
- To maintain a rolling 5 year servicing and replacement plan.
- To prepare and submit an annual budget in line with the requirements of the financial management of the Railway.
- To maintain positive working relationships with the Volunteer Recruitment Officer and Volunteer Liaison Officer and other Departmental Managers, in particular, Operations, Loco, Carriage and Wagon and Permanent Way.
- To undertake other reasonable duties as required by Swanage Railway Company

This job **is suitable** for someone who is able to manage their team with a 'hands-on' and interpersonal approach balanced with technical knowledge.

This job **is unsuitable** for someone who is focussed purely on a technical approach.

Part 2: Person specification
