- Experience of providing signalling solutions, ideally in both a mainline and heritage railway environment.
- Demonstrable experience of problem solving, medium term maintenance and renewal programmes in a signalling environment.
- Educated to GCSE level or equivalent with a minimum of 3 subjects, including Maths and English.
- Ideally but not essentially, a signalling engineering qualification and/or membership of the Institute of Railway Signalling Engineers.
- Self-reliant but also a team player with a positive attitude to working with both volunteers and employees.
- A 'can-do' attitude along with an honest and pragmatic approach to work.

Benefits of working for Swanage Railway

- Salary of c £29,000 per annum.
- 30 days holiday, including statutory bank holidays. (Must be willing to work flexible hours and days).
- Contributory pension scheme after qualifying period.
- Access to Free parking.
- Free or subsidised refreshments when working.
- Privilege travel rates following completion of probationary period.
